Prepare both a summary paragraph and a general description of the resource and its various elements as it exists today.

This three-bay two-story framed and weatherboarded Colonial revival house faces west onto Calvert Street. On the facade a central entrance is sheltered by a pedimented stoop and flanked by pairs of windows glazed with one-over-one double-hung sash windows. There is an exterior brick chimney on the south side. The gable roof has deep eaves and no cornice. The configuration of the rear extensions suggest that this may be a twentieth-century house added onto a late-nineteenth-century structure. All siding is new.
